

Applicant: Wayne Boga et al.
Application No.: 10/774,084
Art Unit: 1774

Remarks

Claims 15–34 remain pending in the application. On Jan. 18, 2008, a notice of appeal was filed on January 18, 2008.

Prior to submission of the Appeal Brief, this amendment is submitted to present the rejected claims in better form for consideration on appeal. Claim 15 has been amended for greater definiteness, making clear that “the suction roll seal strip” refers to the preamble. A period inadvertently omitted from the end of claim 29 has been added.

Applicant submits that no new matter has been added by this amendment, and that entry of the amendment is appropriate.

Respectfully submitted,

Patrick J. G. Stiennon, Reg. No. 34934
